Important Informations

The following choice of finishes is available to you at no additional charge:

- nickel-plated = NI
- silver-plated = SI
- gold-plated = GO
- other finishes on request (additional charge)

All finishes feature a long-lasting, extra-high-resistance coating of protective varnish, oven baked – we know of no better.

CW = wax candles
G9 = High-Voltage halogen lamps

Length of steel cable 80 cms. Other lengths upon request

Ceiling connection, see page 5

STRASS® – the original

For more than 100 years, Swarovski crystal has personified the essence of extreme brilliance and best quality: extremely high optical purity of the crystal, unique cutting precision, perfect polish and fascinating spectral colours.
